"A Whale of an Internship..."

"As we have been doing for over 20 years, we participated in the 2015 NAF Internship program where 15 students completed their Summer Internship at Miami Seaquarium. These young adults learned firsthand the field of hospitality and tourism working in different park departments. We benefitted from their energy and enthusiasm, and we look forward to continue participating in this program."

Kelly Marie Gonzalez
PR and Social Media Coordinator
Miami Seaquarium

"This program provides opportunities to explore different career options and to understand a different area of the workforce."
